OUR
APPROACH

SERVICES

HONORARY AWARD

Based on your work, experience and accomplishments, Aura Profile Management Services (APMS) with its network and partnered universities provide individuals, business entrepreneurs, professionals, social activists, celebrities, educationists, sports personality, leaders etc with an honorary degree or a PhD honorary award from reputed global universities that not just recognizes your dedication and perseverance in a particular field, but also honours your contribution towards the field. As a mark of honour, respect and prestige, the honorary doctorate award is known to depict you as a distinguished figure in your field of expertise. The last degree someone can receive at a university, your honorary award application and process is completed by us at APMS from the start till the last – without you having to worry about the formalities and procedures.

Who All are Applicable for Honorary Award?

- Teachers and professors for their exceptional work in the field of academics in various subjects including Medicine, Physics, Mathematics, Economics, English, Chemistry, Biology etc.
- Business Entrepreneurs, Industrialists, Celebrities for their notable charity work towards a particular cause or for general charity works – Social workers, leaders and social activists for their extraordinary effort towards the welfare of the society and community.
- Professionals who have a record of exceptional work in their field, experience and/or have contributed significantly in the years of profession.

Yes, our profile management services are devoted and committed to enhance your profile and portfolio by adding new feathers to your hat by various prominent honorary awards, something that you truly deserve for your years of hard work and diligence. By boosting your status and building your name worldwide, our reputation management company strives to give you brand identity, name-fame and all the attention that you truly deserve. To know more about Honorary Awards, process and procedures, contact our counsellor or fill the enquiry form

SOCIAL AWARD

Aura Profile Management Services (APMS) as a portfolio building and reputation management company that invites individuals from all backgrounds, field, industry and section to share their philanthropic work or a record of their commitment towards the society or humanity in general, so that we can submit your nomination and help you garner something that you so rightly deserve – Social Awards! Over the years we are associated with various national as well as international foundations, trusts and organisations that have been awarding social awards and accolades in almost every field and industry for their exceptional contribution. When you hire us to manage your profile and reputation, we ensure that everything is done by us – from the very first step of finding a list of social awards to filing your nomination and completing the formalities. As a nominee and awardee, you get immense publicity, media coverage as well as online and offline visibility. What's more, with a social award in your kitty as a token of appreciation for your work, you also build a positive image and mentions in various media, newspaper, third party websites and in online as well as offline publications. To know more about Social Awards at Aura Profile management services, contact our counsellor or fill the enquiry form.

PRIVATE AWARD

Imagine you have been a pioneer in your field, researching, manufacturing, selling or providing services either through B2B or B2C. Now, you have been doing amazingly well in your niche market, local/state area, and industry. However, not much is known to the world at large – either about you, your brands, products, or about the exceptional services you have been providing to all your clientele.

Now, what if we at Aura Profile Management services tell you that, through our network, tie-ups, collaborations and synergy we can not just bring you in limelight but also bestow you and your brilliance with business awards and accolades from national as well as international organizations?

Envision you receiving the 'best entrepreneur award', 'best women entrepreneur – media', 'most promising young entrepreneur' or awards in your specific industry or niche market like 'best healthcare facility in India', 'best private college in Maharashtra' - Sounds interesting? Well, that's how we as a reputation management company with our portfolio management services try to build your presence, increase your visibility and raise your stature by sending your application to various private and business awards - ensuring your win and in the process enhancing your marketing and branding by manifolds across various verticals.

That's right, with Private Awards at Aura profile management services, you also build a positive image while promoting and marketing your business in various media, newspaper, third party websites and in online as well as offline publications.

To know more about how to receive private awards in India, contact our counsellor or fill the enquiry form. Also, get to know the process, procedures and benefits of winning business awards in India.

PROFILE MANAGEMENT

At Aura Profile Management Services aka APMS you as an individual, professional and/or as a businessman/businesswoman can upgrade, promote and market your profile and portfolio exponentially. With national and international reach, publicity, marketing and publicizing, APMS profile management services in India help you in building your reputation and scale your portfolio towards greater heights – making you a leader and a figure of authority in your field, industry and niche market.
